

# HORARIO SEGUNDO CUATRIMESTRE 2025/26

## ABREVIATURAS DE LAS ASIGNATURAS

**TCAA:** Técnicas de Cultivo de Animales Alternativos

**EmInEBTs:** Emprendimiento, Innovación y Empresas de Base Tecnológica

**RVC Flora:** Recursos Vegetales y Conservación de Flora

**GC Fauna:** Gestión y Conservación de Fauna

**EIA y SIG:** Evaluación del Impacto Ambiental y Sistemas de Información geográfica

## CÓDIGO COLOR

|                                                                                   |
|-----------------------------------------------------------------------------------|
| Asignatura troncal                                                                |
| Asignatura optativa de la especialidad Biología Aplicada e Industrial             |
| Asignatura optativa de la especialidad Biología Evolutiva                         |
| Asignatura optativa de la especialidad Gestion de Recursos Naturales              |
| Asignatura optativa transversal                                                   |
|                                                                                   |
| Prácticas asignatura troncal                                                      |
| Prácticas asignaturas optativas de la especialidad Biología Aplicada e Industrial |
| Prácticas asignaturas optativas de la especialidad Biología Evolutiva             |
| Prácticas asignaturas optativas de la especialidad Gestion de Recursos Naturales  |
|                                                                                   |
| Seminario tercer ciclo (se confirmará en anuncios por email)                      |

semana 1
